

Taekwondo Championships - Results

It is with pride and excitement that we extend our congratulations to the ACE Taekwondo Team from the Churchill Meadows Activity Centre who recently participated in the 16th Annual Battle Of Warriors International Open Taekwondo Championships.

The students, aged 8 to 14, returned home with a total of 27 trophies and an overall team award for their participation. The program is offered exclusively through Mississauga Parks and Recreation and focuses on training both the body and the mind.

The young athletes have trained hard to prepare for the games and Head Instructor, Viresh Mistry, along with the coaches, could not be more proud of their accomplishments. Keep up the great work!
